## Snacks

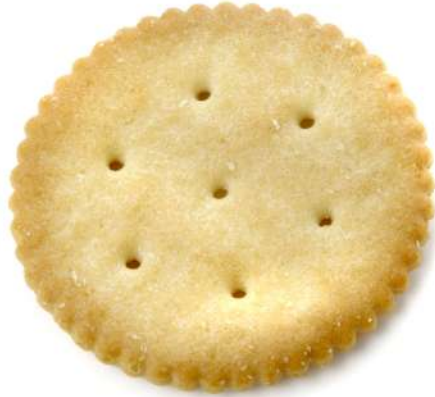

**Cerealto** operates in various segments within the salty snacks category.

We offer a wide range of products with different shapes, textures and flavors, in response to our client's demands and in accordance with the end consumer's preferences in the various markets.

Salty and savoury crackers, cereal based puffed cakes, and flavoured potatoes snacks, are just some of the products you can order.

We have multiple packaging options such as bags, bags in box, trays, tetrapacks, etc.
